

Tamara Griesser-Pečar offered sufficiently precise understanding of Totalitarian Authority, as stated in *Demokracija*, so I could name the upper 18 entities in the full graph. Bojan Žalec just triggered the problem of genocide interpretation in *Demokracija*. The last entity in the lower part of the graph belongs to him. I added the remaining genocide entities. They certainly mean an extension of the usual genocide conceptualization, especially in understanding which concerns the nowadays sophisticated forms of genocide in the area of manipulating individual and group consciousness.
