

IARU REGION 1 VHF AND MICROWAVE BEACON LIST

ISSUE 1E/1998 May 16 1998

This list of VHF/UHF Beacons is compiled for IARU Region 1 by G3UUT of the RSGB VHF Committee. Many thanks to the VHF/UHF/ Microwave managers of radio societies across Region 1, beacon keepers, beacon coordinators and VHF/UHF DXers too numerous to mention. The main region 2&3 6m beacons are included in the list in italics for completeness. Thanks to GJ4ICD, G3USF and the UK Six Metre Group for these.

Key to Status Column

No Information	On Air. The reliability of this information can be judged by the source and date in the last update column.
QRT ?	QRT. Return date to air unknown
QRT 1/99	QRT. Expected back on air January 1999
QRT Q3/98	QRT. Expected back on air Quarter 3 1998
QRT 99	QRT. Expected back on air 1999
Plan 3/99	Planned. Expected start March 1999

(Indented 50 MHz beacons are in regions 2 or 3)
